MUSIC & MUSICAL INSTRUMENT STORES
694 & 696 GEORGE ST., SYDNEY, Two Doors below Anthony Hordern's

PRICE 1/6

NOTE

The "HESITATION" Valse Tango differs from the ordinary Valse, in as much as there are numerous ritardando, crescendo, pause, and other marks, which must be closely followed while being played, and which guide the dance accordingly, at times getting slow, dreamy, and graceful to almost stopping, then suddenly bursting forth into a merry whirl, which gives the player and dancers an alluring sensation and variety of movement, making this Valse of world-wide popularity in all society and other ball-rooms, etc., etc., etc.
